Part I calculation: Non-Associated and Associated at 8%

Calculate: (Lesser of line 031 and line 108) X 8% ■ **110**

Part II calculation: Non-Associated and Associated at 12%

(a) Non-Associated

Calculate: ((Lesser of line 031 and line 108) - Base Amount* from line 118) X 12% ■ **112**

*If the corporation is NOT associated with one or more corporations in the taxation year, the Base Amount is the amount that is the average of the eligible expenditures of the corporation for the two immediately preceding taxation years.

Eligible expenditures for the first preceding year ■ **114**

Eligible expenditures for the second preceding year ■ **116**

Base amount: average of line 114 + line 116 **118**

(b) Associated

Calculate: (Lesser of line 108 or the allocated allowed amount** from line 325) X 12% ■ **125**

****** If the qualified corporation is associated with one or more corporations in the taxation year (referred to as the particular taxation year), the Allowed Amount is: X - ((Y + Z) / 2)

Where X equals line 275 in page 3, the aggregated total of all the rows of line 245 in page 3. This is the total of the current year's eligible expenditures of the claiming corporation and its associated corporation(s).

Y equals line 280 in page 3, the aggregated total of all the rows of line 250 in page 3. This is the total of the eligible expenditures for the first preceding year of the claiming corporation and its associated corporation(s).

Z equals line 290 in page 3, the aggregated total of all the rows of line 260 in page 3. This is the total of the eligible expenditures for the second preceding year of the claiming corporation and its associated corporation(s).

For the purposes of determining either the Base Amount or the Allowed Amount for a taxation year, eligible expenditures for a preceding year are calculated in the same way as line 031 on page1.

Taxable Capital*** ■ **126**

******* If the corporation is associated with one or more corporations in the taxation year, regardless of whether the other corporation(s) has eligible expenditures in Alberta or not, enter on line 126 the total of all taxable capital employed in Canada of all associated corporations for their last taxation year ending in the previous calendar year. (The total of all amounts reported on line 690 of the federal form T2SCH33 for each corporation in the associated group.)
